Time and time a - gain there will be

4 D

times like this one You and I to - ge - ther Not a - lone

7 Em Am

Stand - ing at a thresh - old with a chance to choose one path to call our own

10 D C

— And though our choice_ be shades of gray

13 Am D Am D C

— I be lieve we'll find our way If the sun should leave the sky

18 Em C G F

— Though the moon be cold and white_ We will be il - lu - mi - na - ted_

22 C Am D

still All we need is love Love will be our light Then when ev - ery

26 C Em C G

road seems lost There will be a path that shines_ Broad e - nough to

30 F C Am F

tra-vel side by side___ All we need is love love will be our guide Love will bring us
